2027 Virtual Training Schedule

(subject to change)

April	Assessing the needs and concerns of patients and caregivers
May	Strengthening the clinician-patient relationship and understanding care goals
June	Managing Symptoms
July	Assessing for Pain and Opioid Use Disorder
August	Preventing Crises and Helping Patients Plan Ahead
September	Capstone project

Participants who complete CAPC courses may earn continuing education credit for (physicians, nurses, social workers, and case managers) or receive a verification of attendance that notes courses have been awarded AMA PRA Category 1 Credits ™ . Courses have been approved for social worker credit through the New York State Education Department (NYSED). For clinicians whose profession is not included in the available accredited credit types, a Verification of Attendance (VOA) will be provided upon successful completion of the activity. A VOA serves as documentation of participation and may be submitted by clinicians to their respective licensing or certification boards for consideration of credit, subject to each board's requirements and approval.
