

MOQC Excellence in Quality Certification

Required Elements for Certification

Provide Data and Meet Measure Targets

- Collect 2 rounds of data during the year in which certification is pursued, including a minimum of 10 charts per measure per round
- One bye round in the certification year will be approved only if criteria below are met
- Meet at least 5 of 7 measures for medical oncology or 7 of 9 measures for gynecologic oncology and create an action plan for those measures that are not met

Reasons accepted for bye round:

- Changing electronic medical record
- No physician due to leave/turnover
- Office moving

Reasons NOT accepted for bye round:

- No abstractor available
- No one available to pull patient list

Meet MOQC Attendance Requirements

- 1 physician and 1 practice administrator must attend 1 of 2 biannual meetings (January and June) AND the fall regional meeting

Host Site Visit and Meet Specified Standards

- Request a site visit by January 31, 2025 by emailing moqc@moqc.org
- Site visit must occur by August 31, 2025
- MOQC will connect practice to Site Assessors
- Site visits are paid for by each practice; please contact MOQC if the cost is prohibitive
- Site visits will occur every 2 years for the first 2 visits and every 3 years after that
- Policies and chemotherapy procedures must meet specified national standards
- If a practice is currently QOPI® Certified, then a site visit is not necessary

Create an Equity Action Plan

- Submit an Equity Action Plan by June 30, 2025
- The plan must identify an activity related to data, education, and practice

Collect Patient-Reported Outcomes (PROs)

- Collect PROs by November 15 each year during the pursuit of certification
