

RESOURCES

AMERICAN CANCER SOCIETY (ACS)

cancer.org/cancer/ovarian-cancer.html

The mission of ACS is to eliminate cancer as a major health problem through research, education, advocacy and service. ACS provides information on prevention, treatment and support, research and cancer facts/statistics.

The ACS's Cancer Facts and Figures booklet for 2018 has a special section on Ovarian Cancer.

CENTERS FOR DISEASE CONTROL AND PREVENTION (CDC)

cdc.gov/cancer/ovarian/index.htm

CDC provides basic information (risk factors, symptoms, treatment) statistics, and a host of resources about ovarian cancer.

In collaboration with the Department of Health and Human Services' Office on Women's Health, established the Inside Knowledge: Get the Facts About Gynecologic Cancer campaign to raise awareness of the five main types of gynecologic cancer. Posters and other resources available for practices.

CLINICAL TRIALS

clinicaltrials.gov

CDC provides basic information (risk factors, symptoms, treatment) statistics, and a host of resources about ovarian cancer.

In collaboration with the Department of Health and Human Services' Office on Women's Health, established the Inside Knowledge: Get the Facts About Gynecologic Cancer campaign to raise awareness of the five main types of gynecologic cancer. Posters and other resources available for practices.

FACING OUR RISK OF CANCER EMPOWERED (FORCE)

facingourrisk.org

The mission of FORCE is to improve the lives of individuals and families affected by hereditary breast, ovarian and related cancers. Local support in Michigan is available in Detroit and Ann Arbor. Programs include:

- Peer Navigation
- Message Boards
- Local Support (outreach volunteers)
- Toll free helpline (trained volunteers w/in 48 hours) for a board-certified genetic counselor
- Patient driven registry
- Research study search tool (match patient to study)
- Reach advocate training program
- KNOW MORE portal
- XRAYS (CDC-funded) translates reports on emerging breast cancer research into language accessible to patients
- Brochures
- Post mastectomy photo gallery

RESOURCES

FOUNDATION FOR WOMEN'S CANCER

foundationforwomenscancer.org

A not-for-profit established to eradicate gynecological cancers through awareness, diversity and inclusion, education, partnership and research.

Brochures and other educational material for women who have or who are at risk of developing a gynecologic cancer. Learn more about FWC Survivor's Courses.

MICHIGAN DEPT. OF HEALTH AND HUMAN SERVICES (MDHHS)

michigan.gov/mdhhs

The Michigan Department of Health and Human Services (MDHHS) is located in all 83 Michigan counties and provides a variety of services to the residents of Michigan via thirteen offices and departments. They develop and encourage measurable health, safety, and self-sufficiency outcomes that reduce and prevent risks, promote equity, foster healthy habits, and transform the health and human services system to improve the lives of Michigan families.
