Medicare

Medicare is available to people 65 years of age or older, people under 65 with certain disabilities, and people with End-Stage Renal Disease. Medicare is funded by taxes and premiums paid by enrollees and their employers. Medicaid is available to people with limited income and resources who qualify for certain programs.

In Michigan, Medicaid and Medicare are available to people who qualify for certain programs. Medicaid is funded by federal and state taxes, and Medicare is funded by taxes and premiums paid by enrollees and their employers.
